Lawana,

Hay there sweety! It's been a wild year for us Kid's and it's finally gettin' over. (Thank God) Lawana you are one of the nuttiest friends I have, but a sweet & pretty one. This summer you had better call me and we'll take off and have a good time together. Just think If it wasn't for me you probably wouldn't have an annual. HA HA!! I'm glad that me and you became friends this year because you're one of my bestest bestest friends in this world. You're crazy! and I love ya that way. Call me this summer sometimes and we'll do something together. (732-1662).

Be Good
&
Stay Sweet!!!

Love Ya,
Margaret

LIFE — SO THEY SAY IS BUT A GAME,
AND THEY LET IT SLIP AWAY

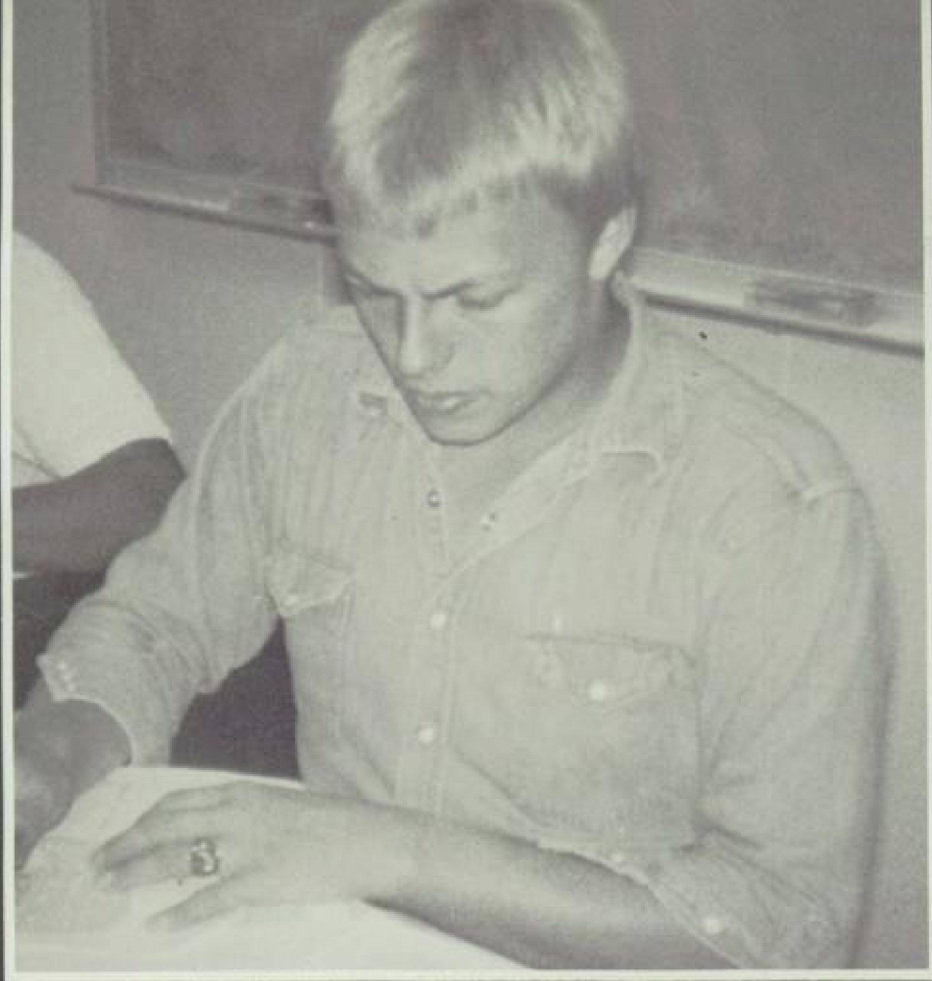

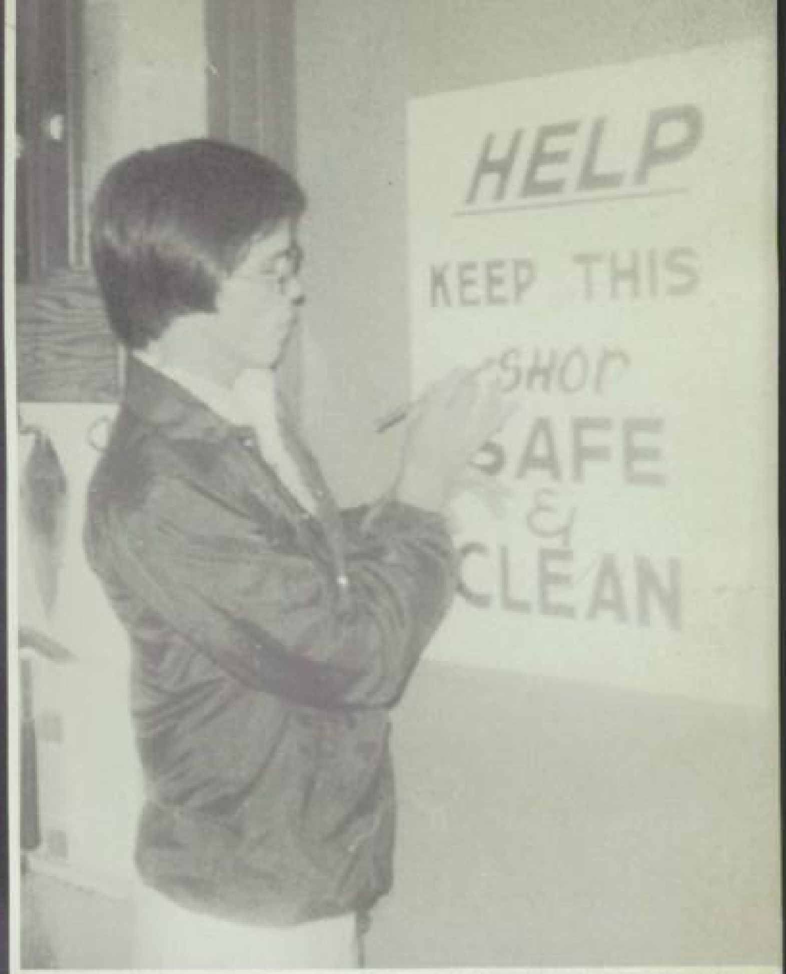

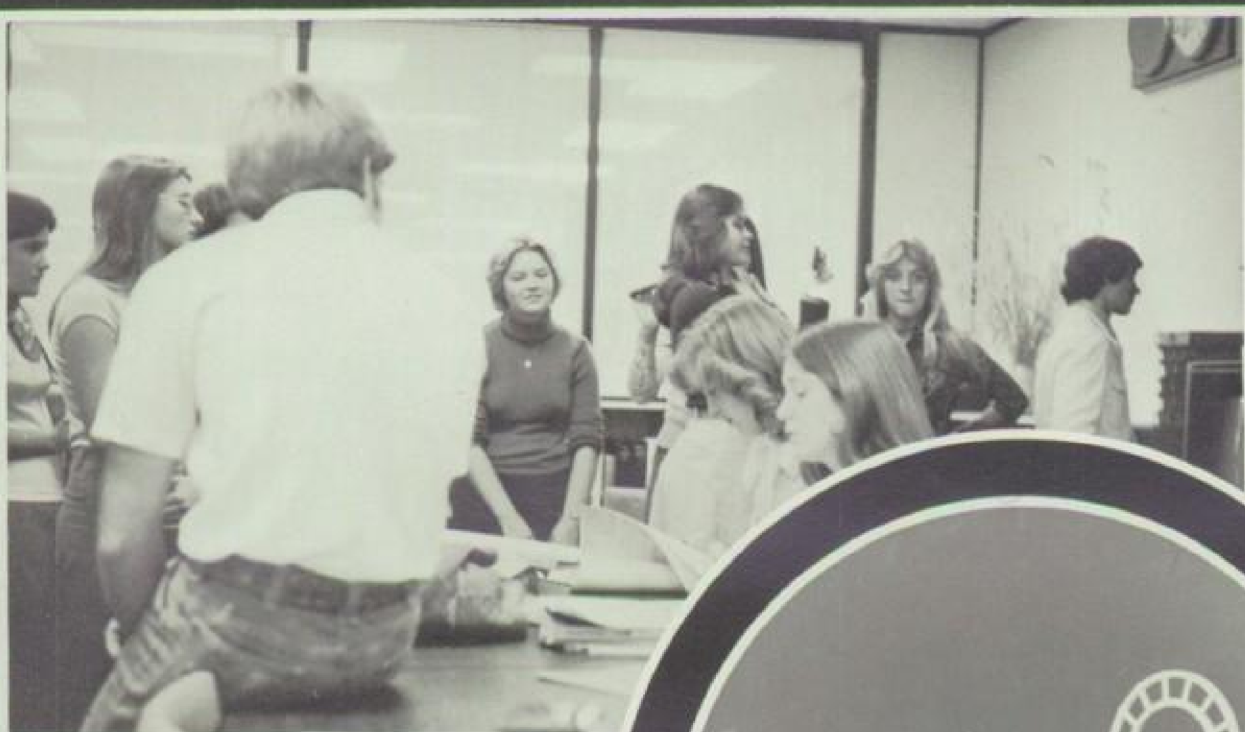

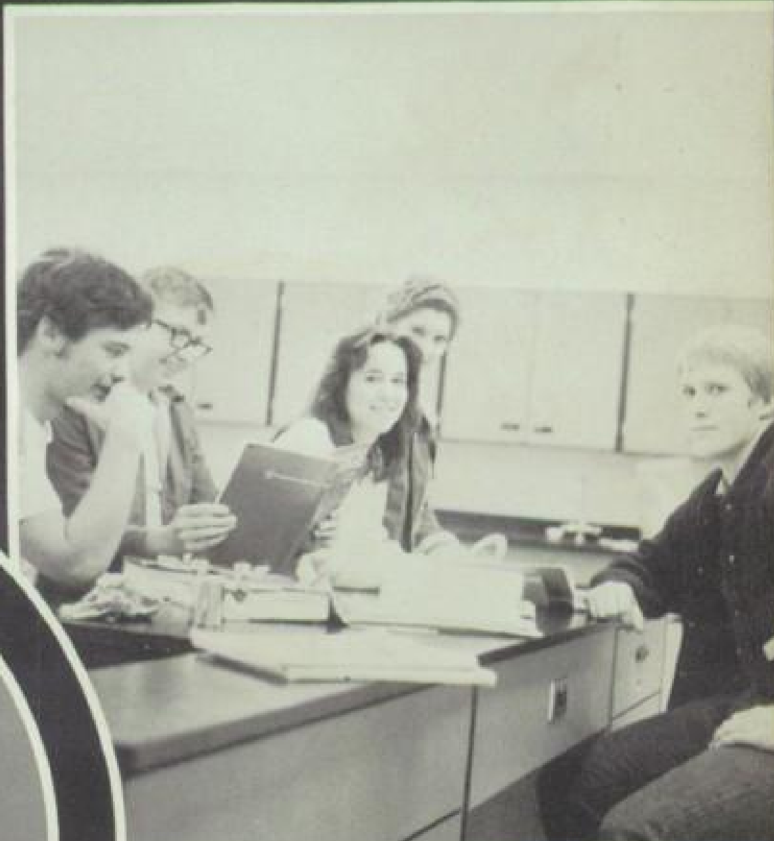

LOVE — LIKE THE AUTUMN SUN
SHOULD BE
DYING BUT ITS ONLY JUST BEGUN

LIKE THE TWILIGHT IN THE ROAD UP AHEAD

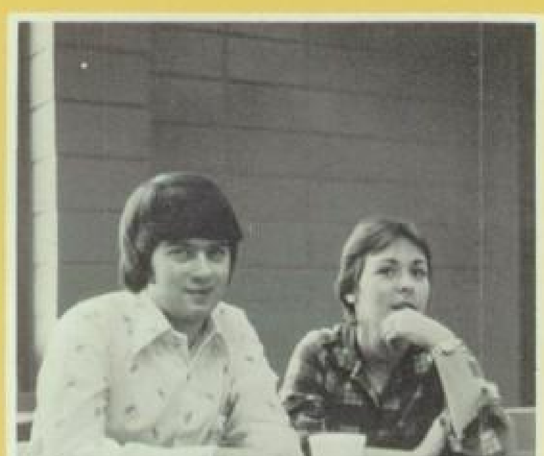

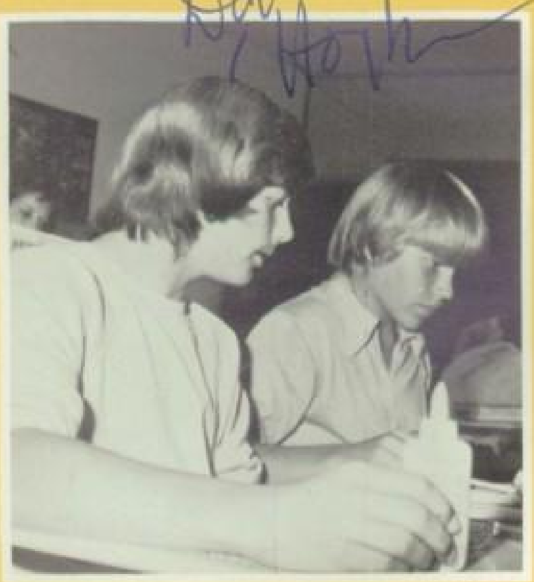

THEY DON'T SEE JUST WHERE WE'RE GOIN'

AND ALL THE SECRETS IN THE UNIVERSE WHISPER IN OUR EARS AND

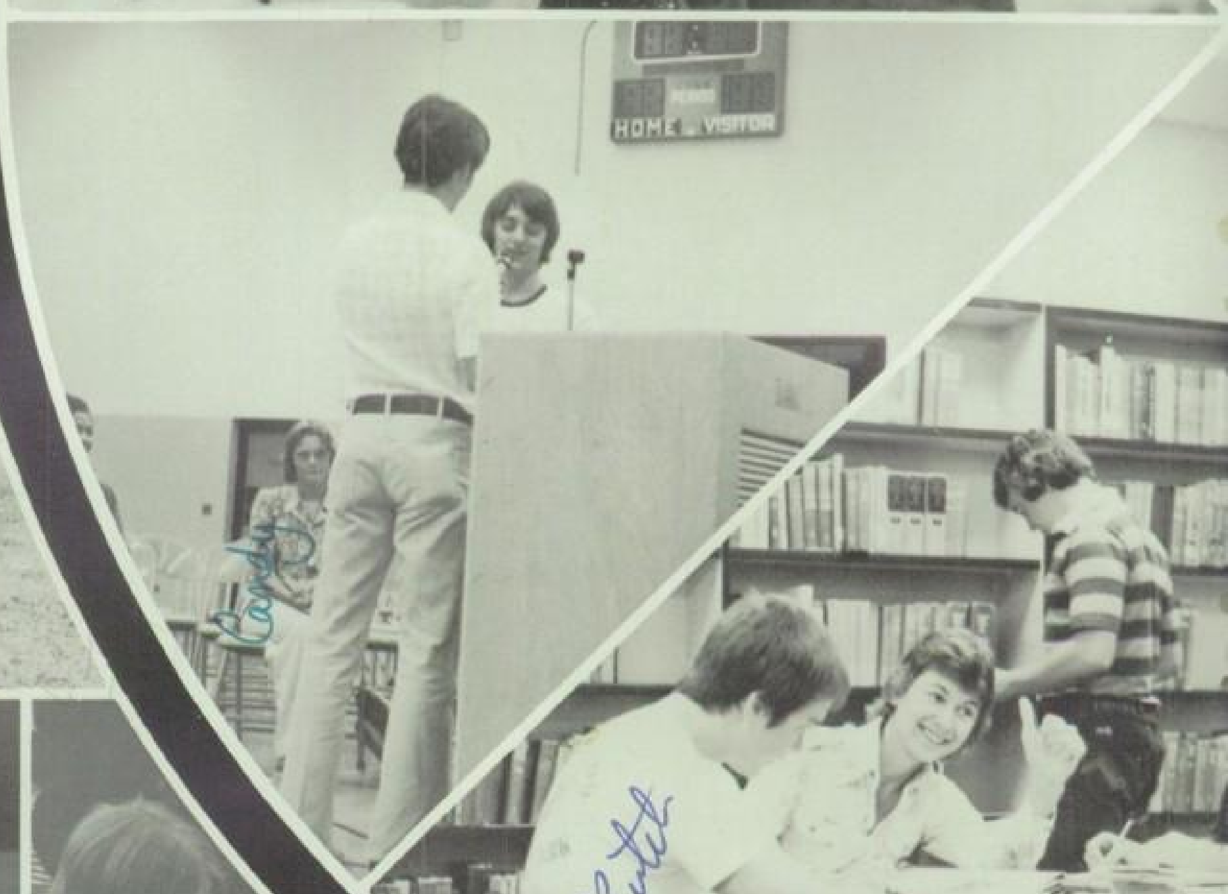

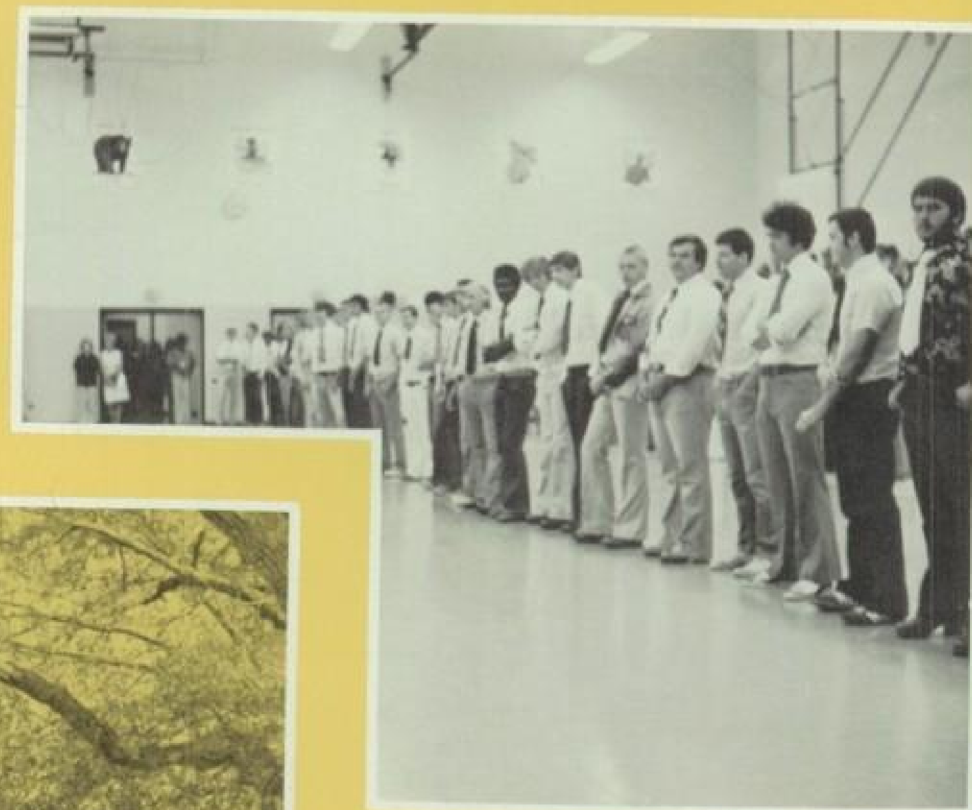

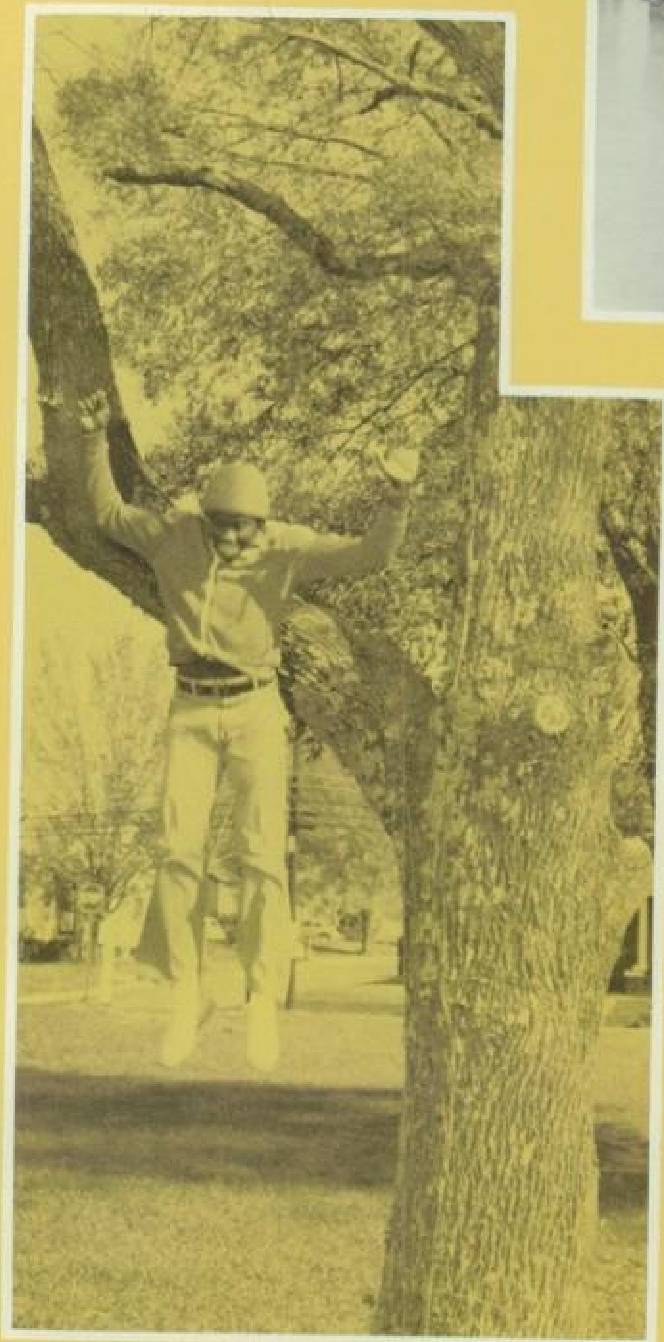

ALL THE YEARS WILL COME
AND GO
AND TAKE US UP ALWAYS UP

DREAMS — SO THEY SAY ARE FOR THE FOOLS

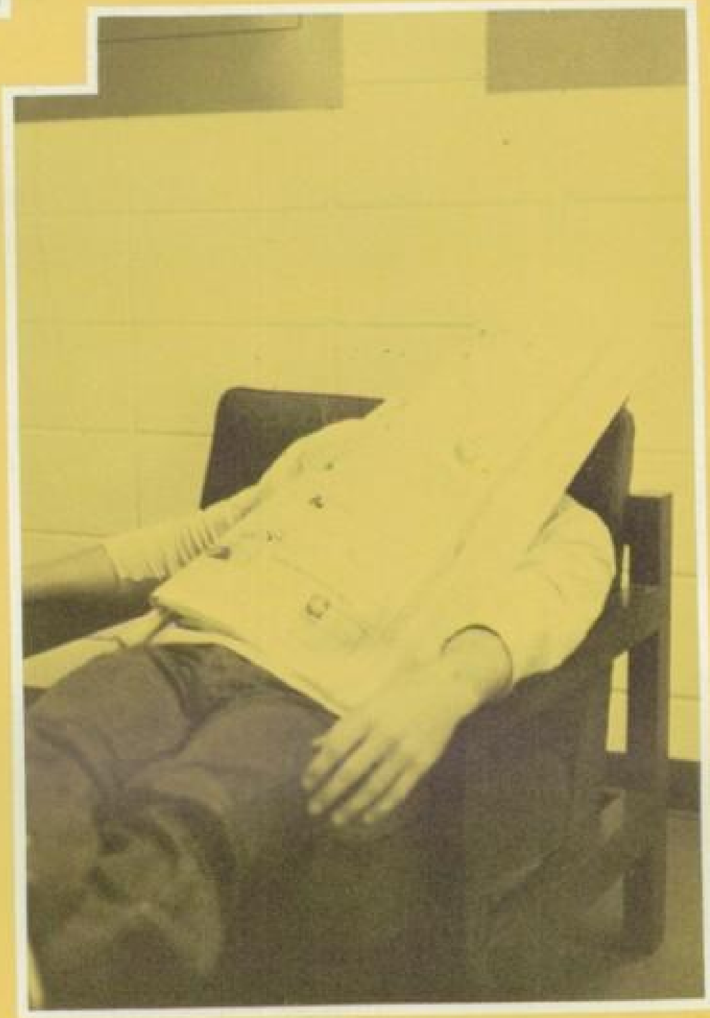

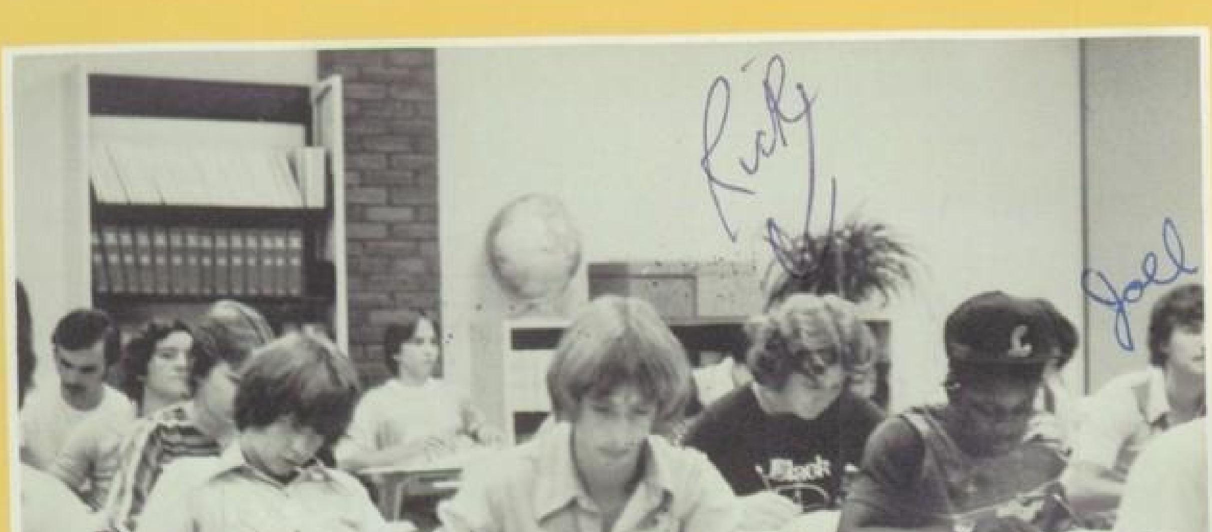

AND THEY LET THEM DRIFT AWAY

PEACE — LIKE THE SILENT DOVE

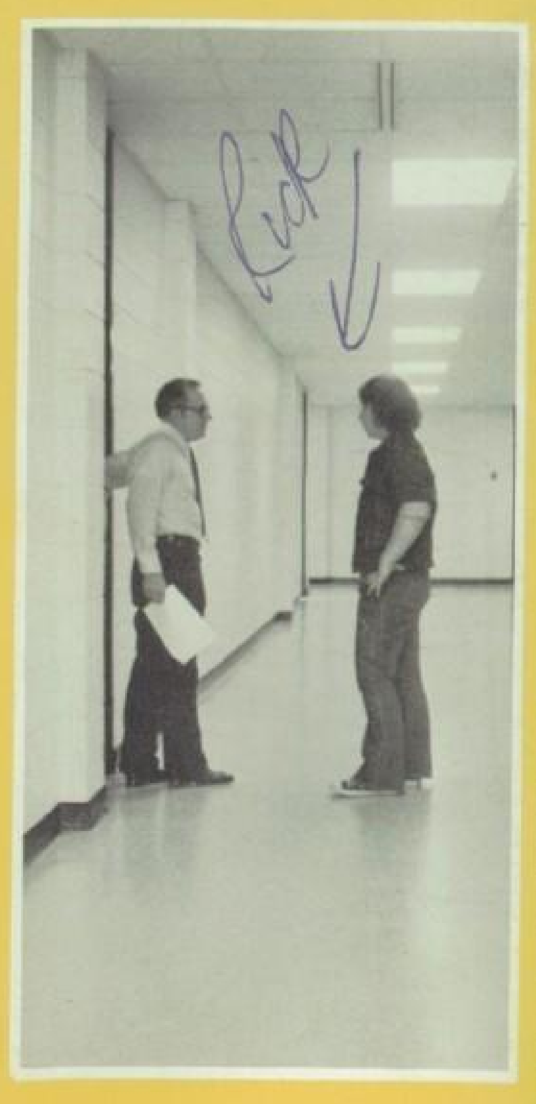

SHOULD BE FLYIN' BUT IT'S ONLY JUST BEGUN

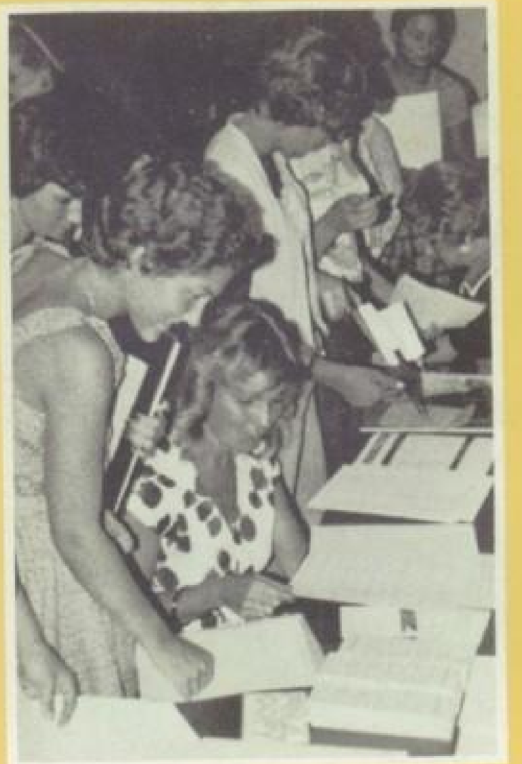

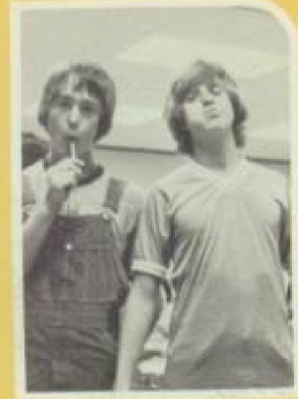

LIKE COLUMBUS IN THE OLDEN DAYS WE MUST GATHER ALL OUR COURAGE

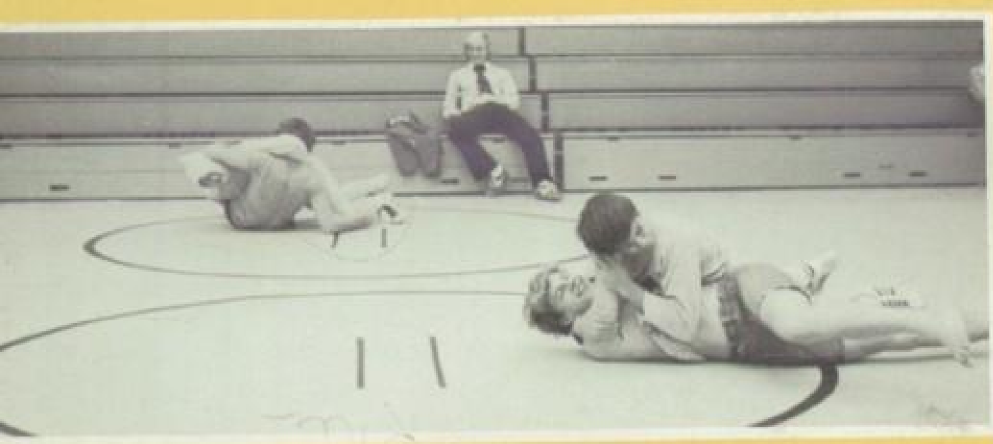

It will be hard to say goodbye to a
million dreams,
a thousand promises,
and friends
Like reading a good book,
I will be reluctant to finish the last page
But the memories of friends are
written well within my life
They are things that can't be
taken from me
I have set aside a book for them
on my private shelf,
An adventure in the volumes
of life.

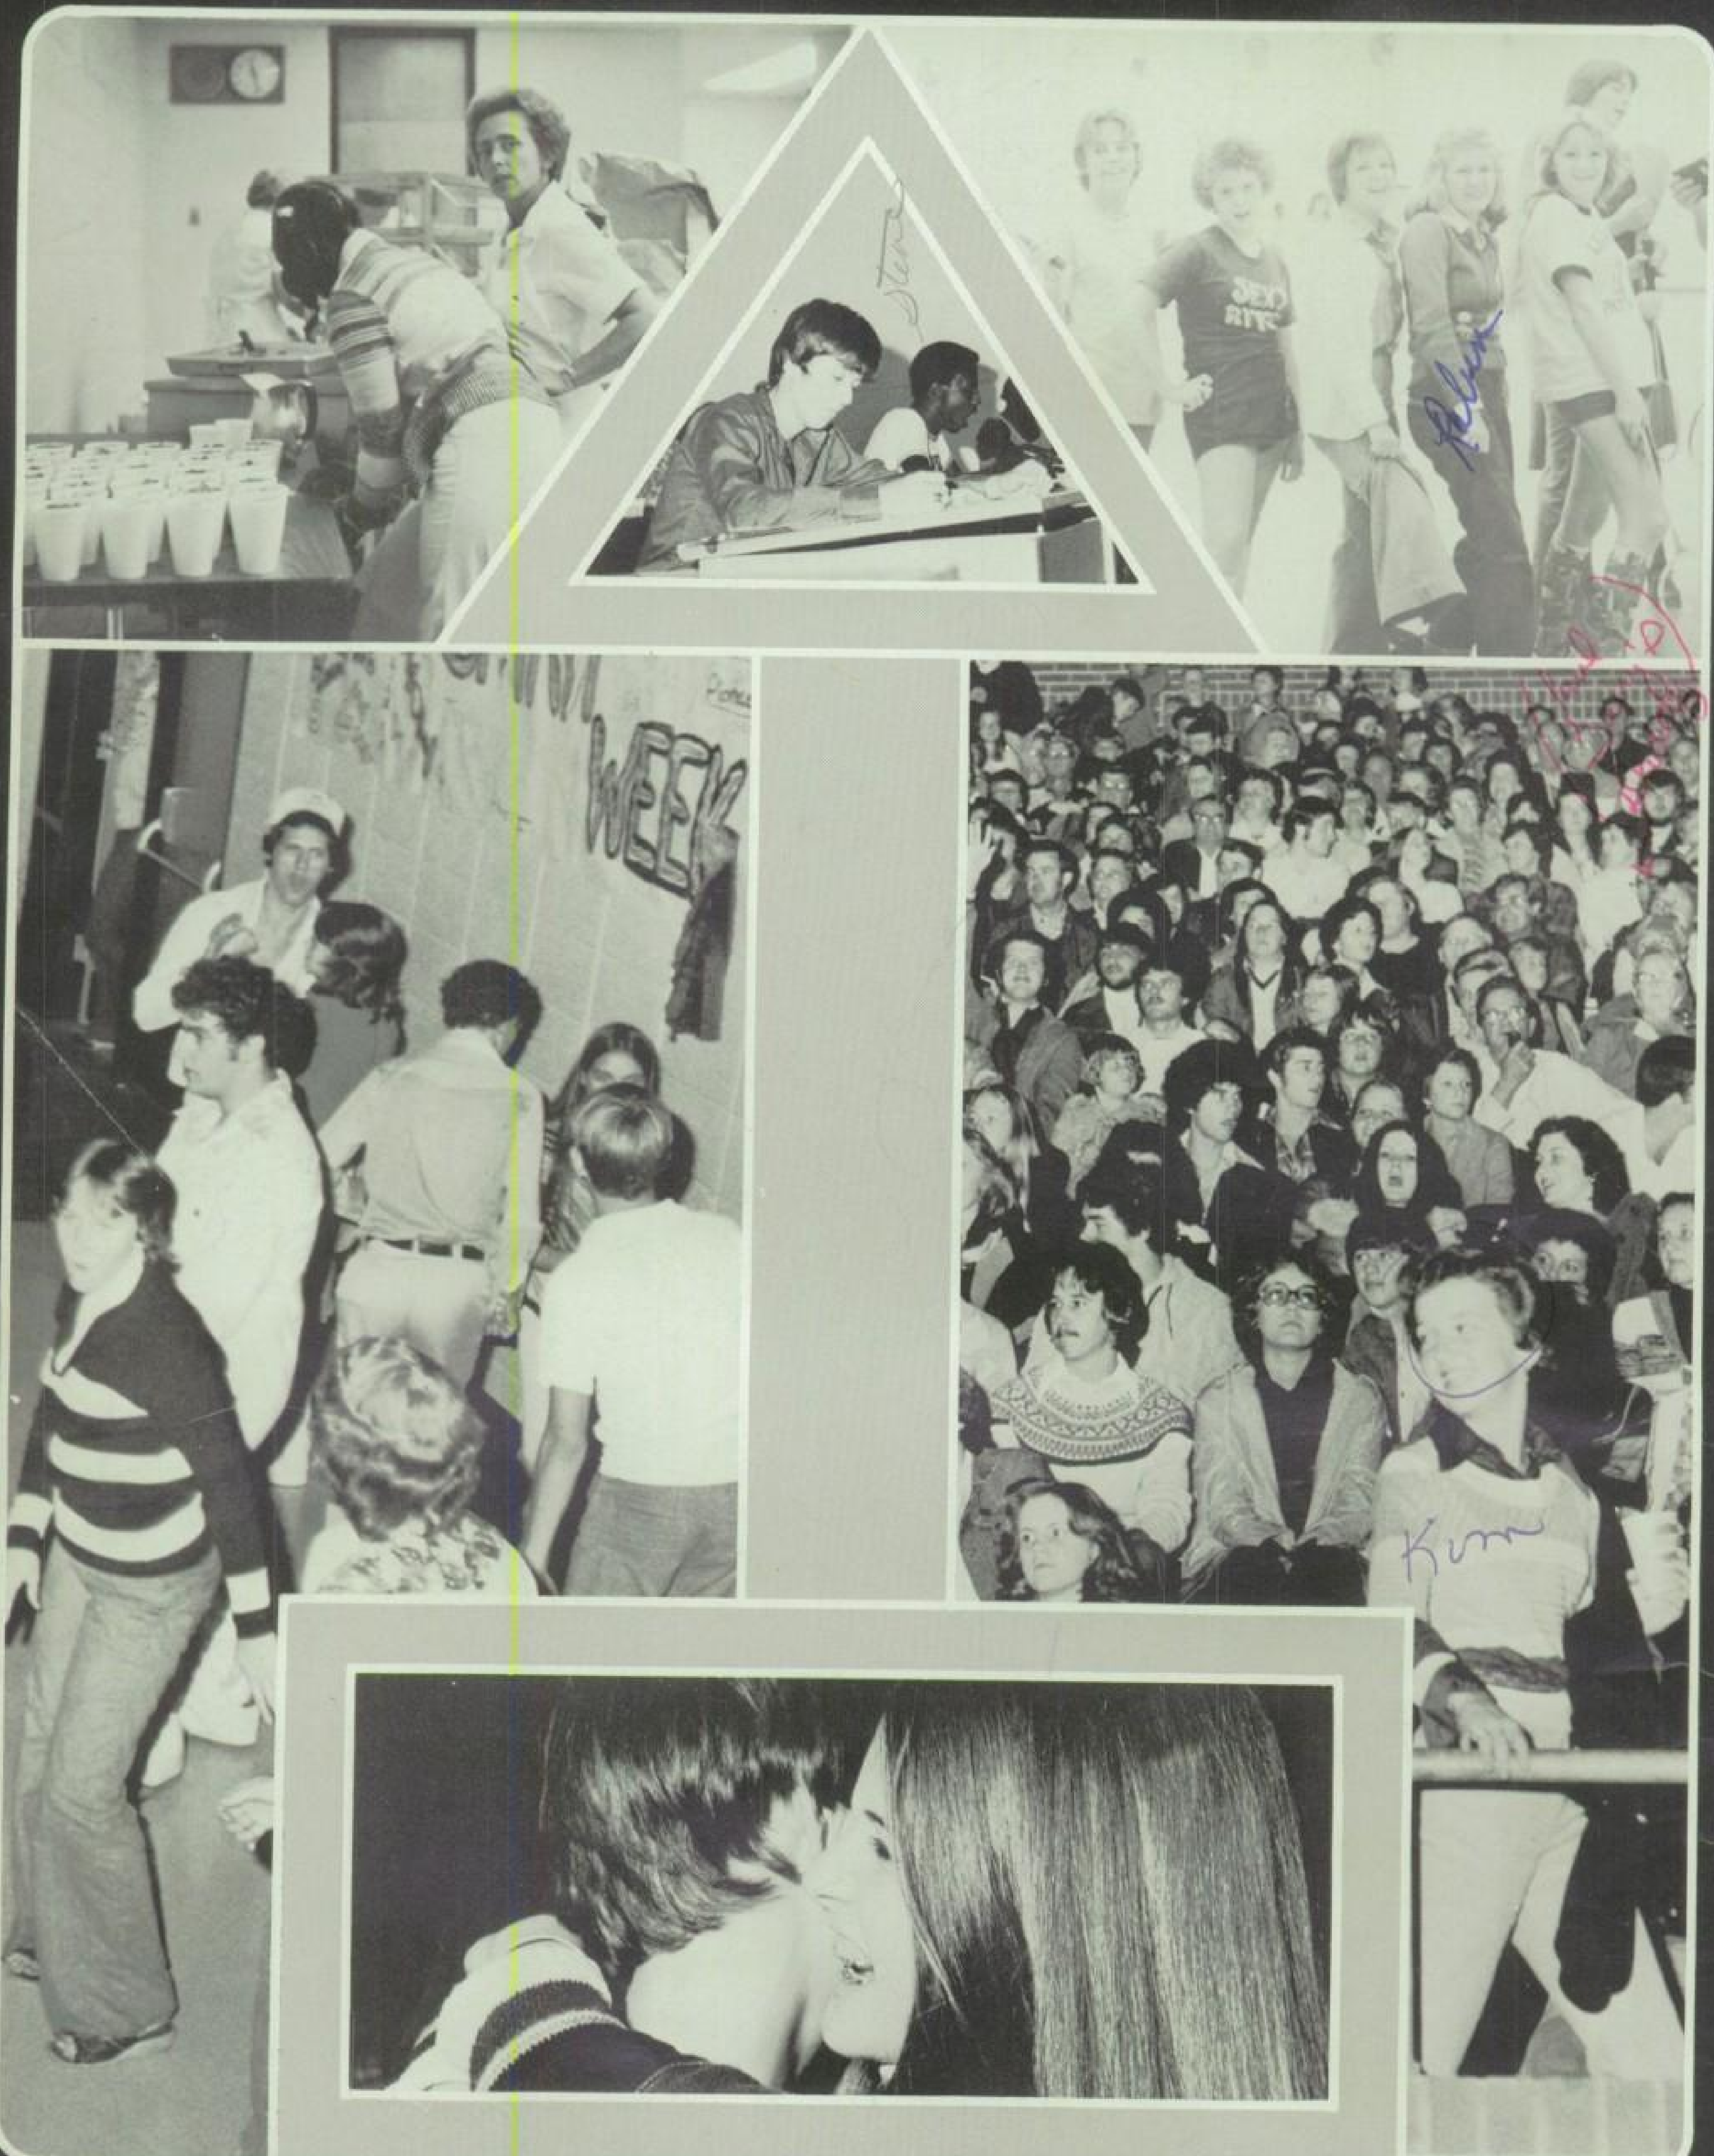

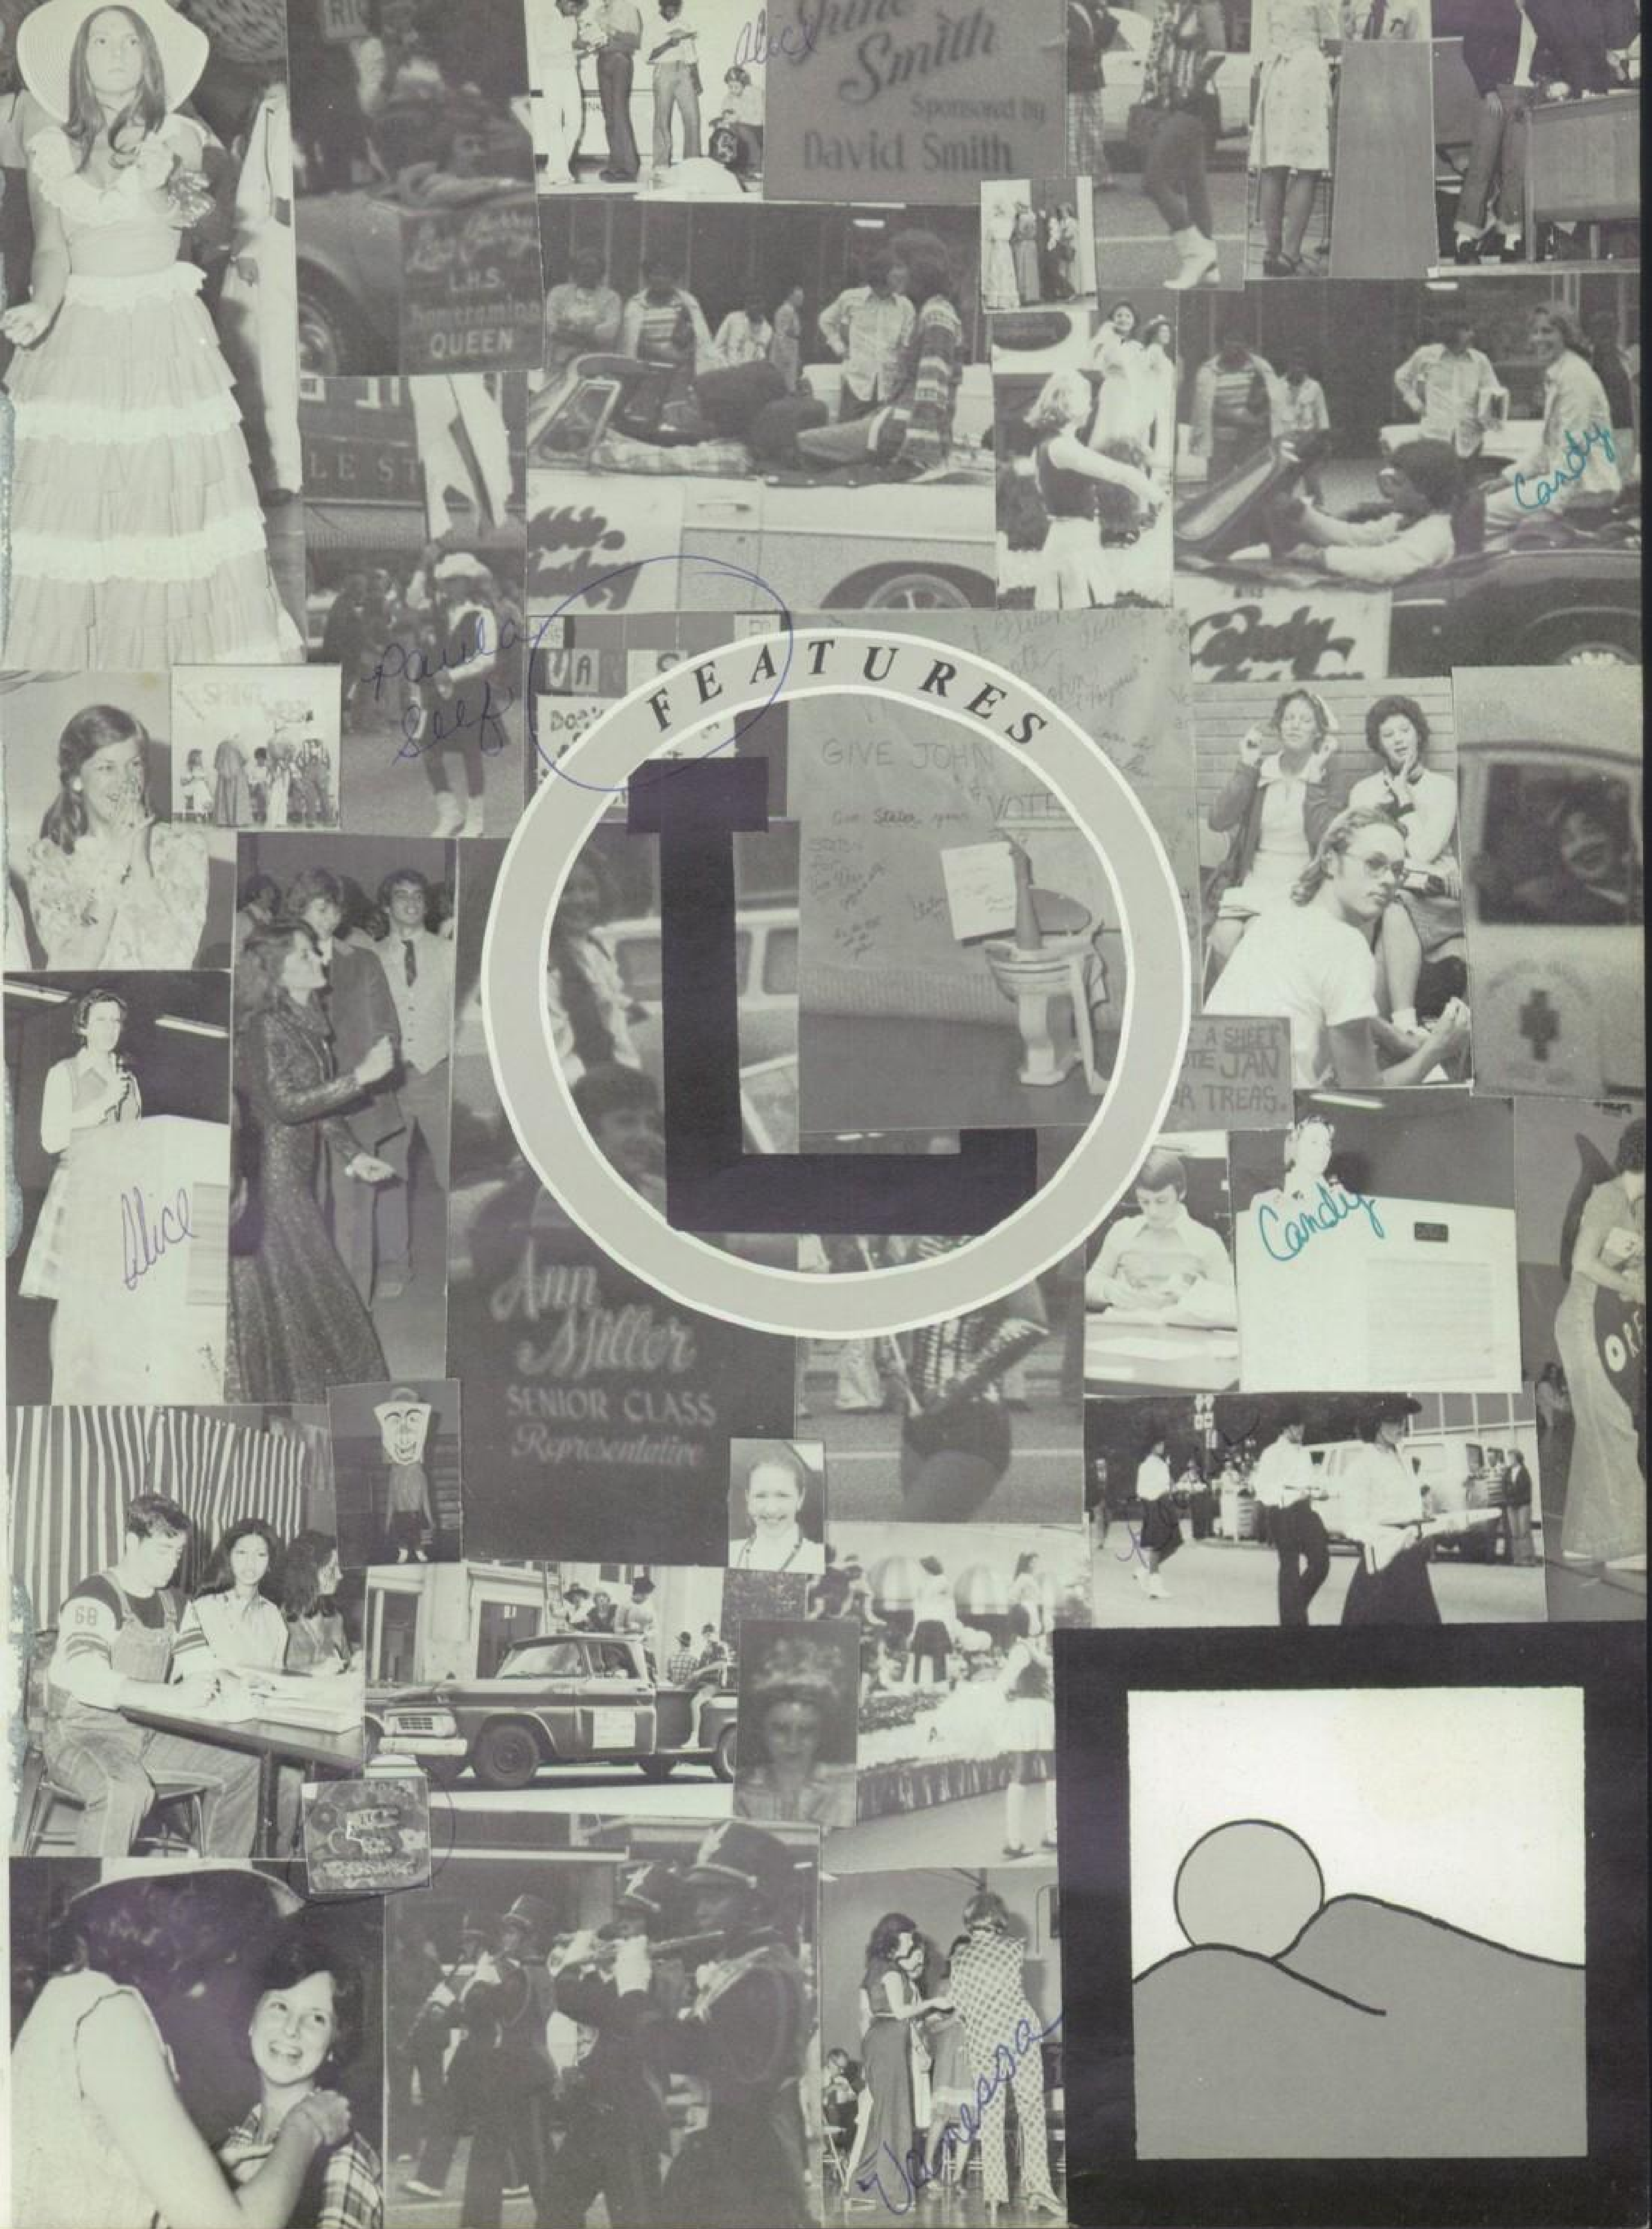

SAIL OUR SHIP OUT ON THE
OPEN SEA CASTAWAY
OUR FEARS AND ALL THE YEARS
WILL COME AND GO

AND TAKE US UP ALWAYS UP

The Lincolnton football team surprised many people with its 8-3 season. After losing most of its starting offensive and defensive players to graduation, the Wolves' 1976 season depended on whether the inexperienced players could perform without an excess of mistakes. The Wolves finished second to Newton in the SD7 with an 8-2 record. During the season the Wolves had wins over crosstown rivals East and West Lincoln. The Wolves placed five players on the All-Conference team. Selected on the offensive team were Johnny Boles and Dennis Richards. Chosen on the defensive unit were Larry Neal, David Melton, and Tommy Farley. By placing second in their conference, the Wolves earned a playoff birth. In the first playoff game, the Wolves lost to a tough Hendersonville team.

At the fall sports banquet the football awards were distributed. The players receiving awards were: Larry Neal-best defensive back; David Melton-best defensive back; Kevin Poovey-best offensive back; David Messer-sparkplug. Mark Goodson was the recipient of the Most Valuable Player Award.

Picture-Shy Seniors

i hate goodbyes,
especially this one,
because i've grown to know you,
and it seems our learning process
will take different directions now.
letters won't be quite the same
as laughing with you.
weekend visits can't be long enough
so it won't be the same;
but i think we feel the same way.
time and distance won't crack
our core of happy memories.

god knew that everybody needs
companionship and cheer,
he knew that people need someone
whose thoughts are always near.
he knew they needed someone kind
to lend a helping hand,
someone to gladly take the time
to care and understand . . .
he knew that we all need someone
to share each happy day,
to be a source of courage
when troubles come our way,
someone to be true to us
whether near or far apart,
someone whose love we'll always hold
and treasure in our hearts . . .
that's why god gave us friends.

ricky william lail
april 3, 1960 — august 21, 1976

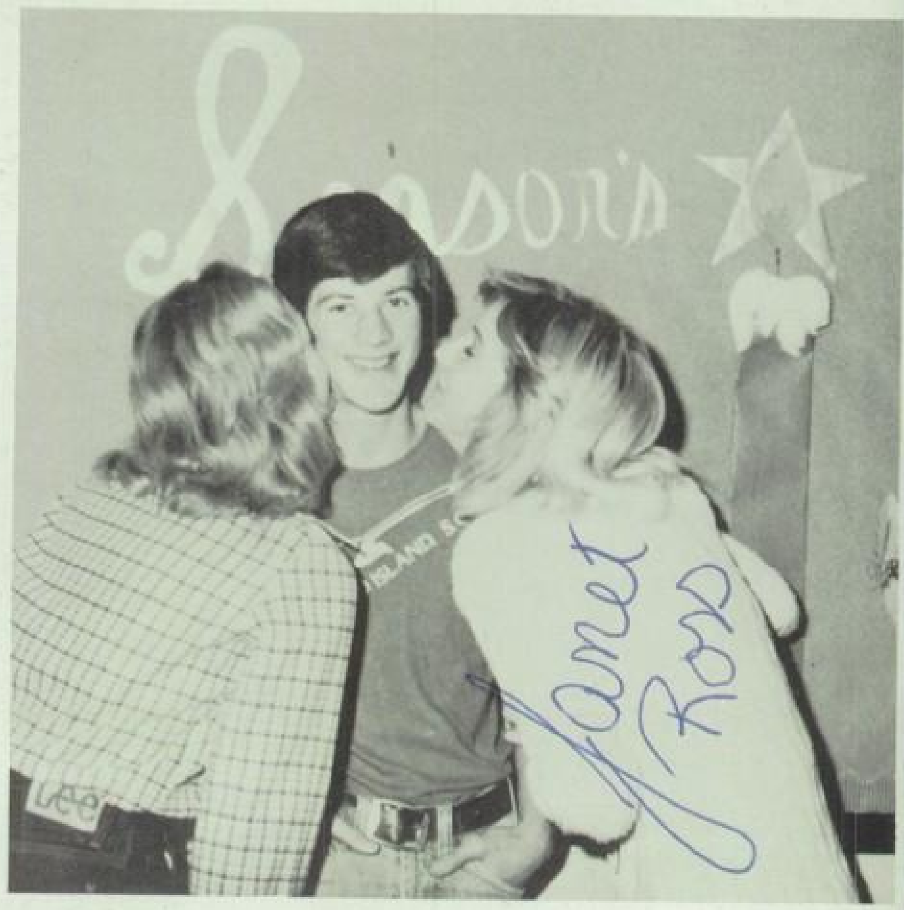

at times,
i am troubled
by the memories
you left in my mind.
they haunt my waking moments,
waiting to pounce upon me
at some unexpected time and place.
and though i've tried to erase
these unwanted thoughts,
i find it impossible.
i still remember the good and the bad,
all the happiness
brought on by the sad.
i guess i always will . . . .
there will be
a place for you
no one can fill.

nancy williard

SO I WANNA LAUGH WHILE THE LAUGHIN IS EASY

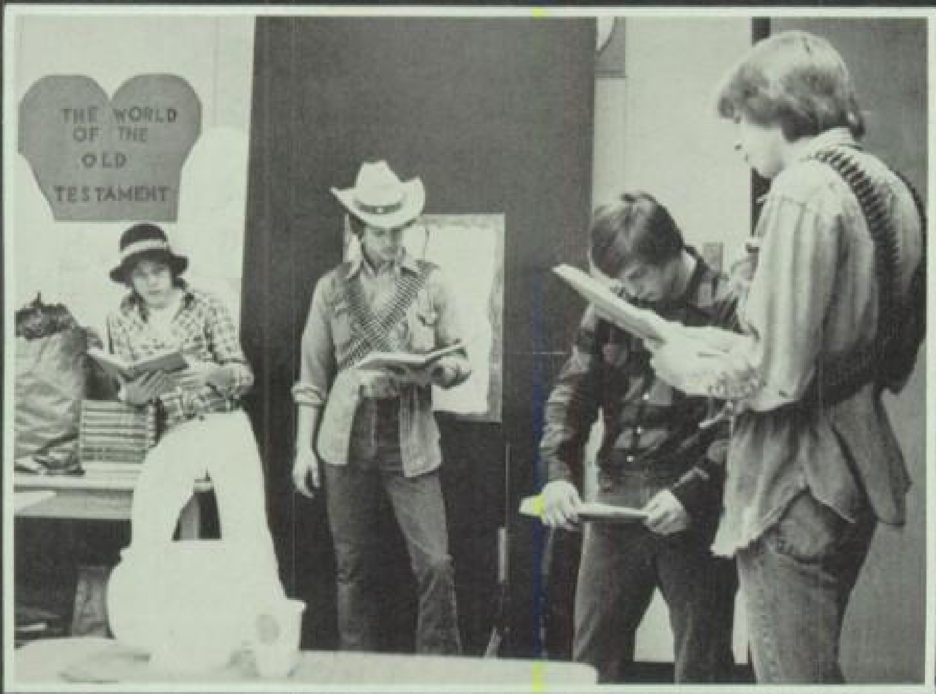

I WANNA CRY, IF IT MAKES IT WORTHWHILE

I MAY NEVER PASS THIS WAY AGAIN

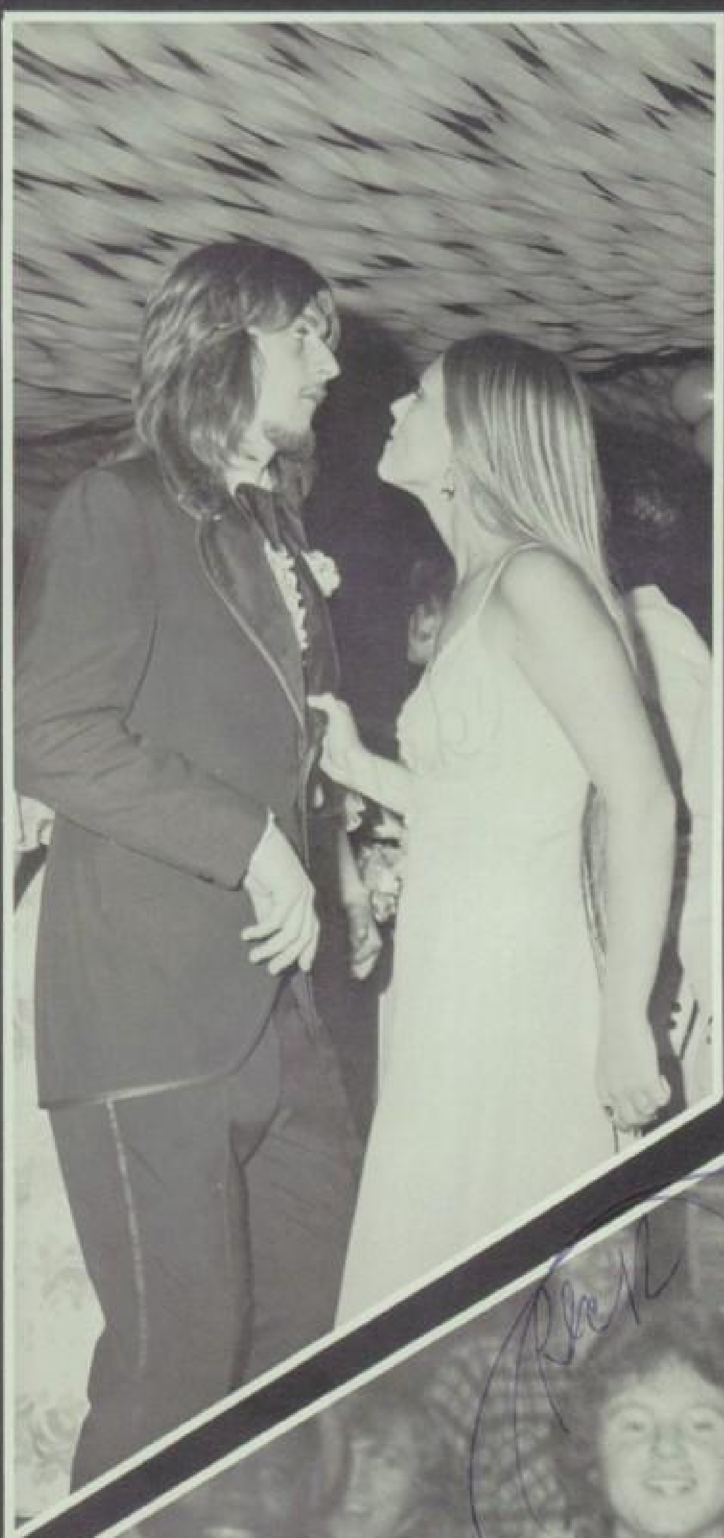

THAT'S WHY I WANT IT WITH YOU

'CAUSE YOU MAKE ME FEEL LIKE MORE THAN A FRIEND

Theme Song,

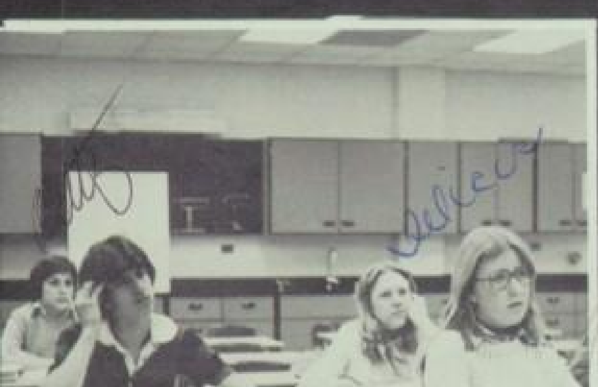

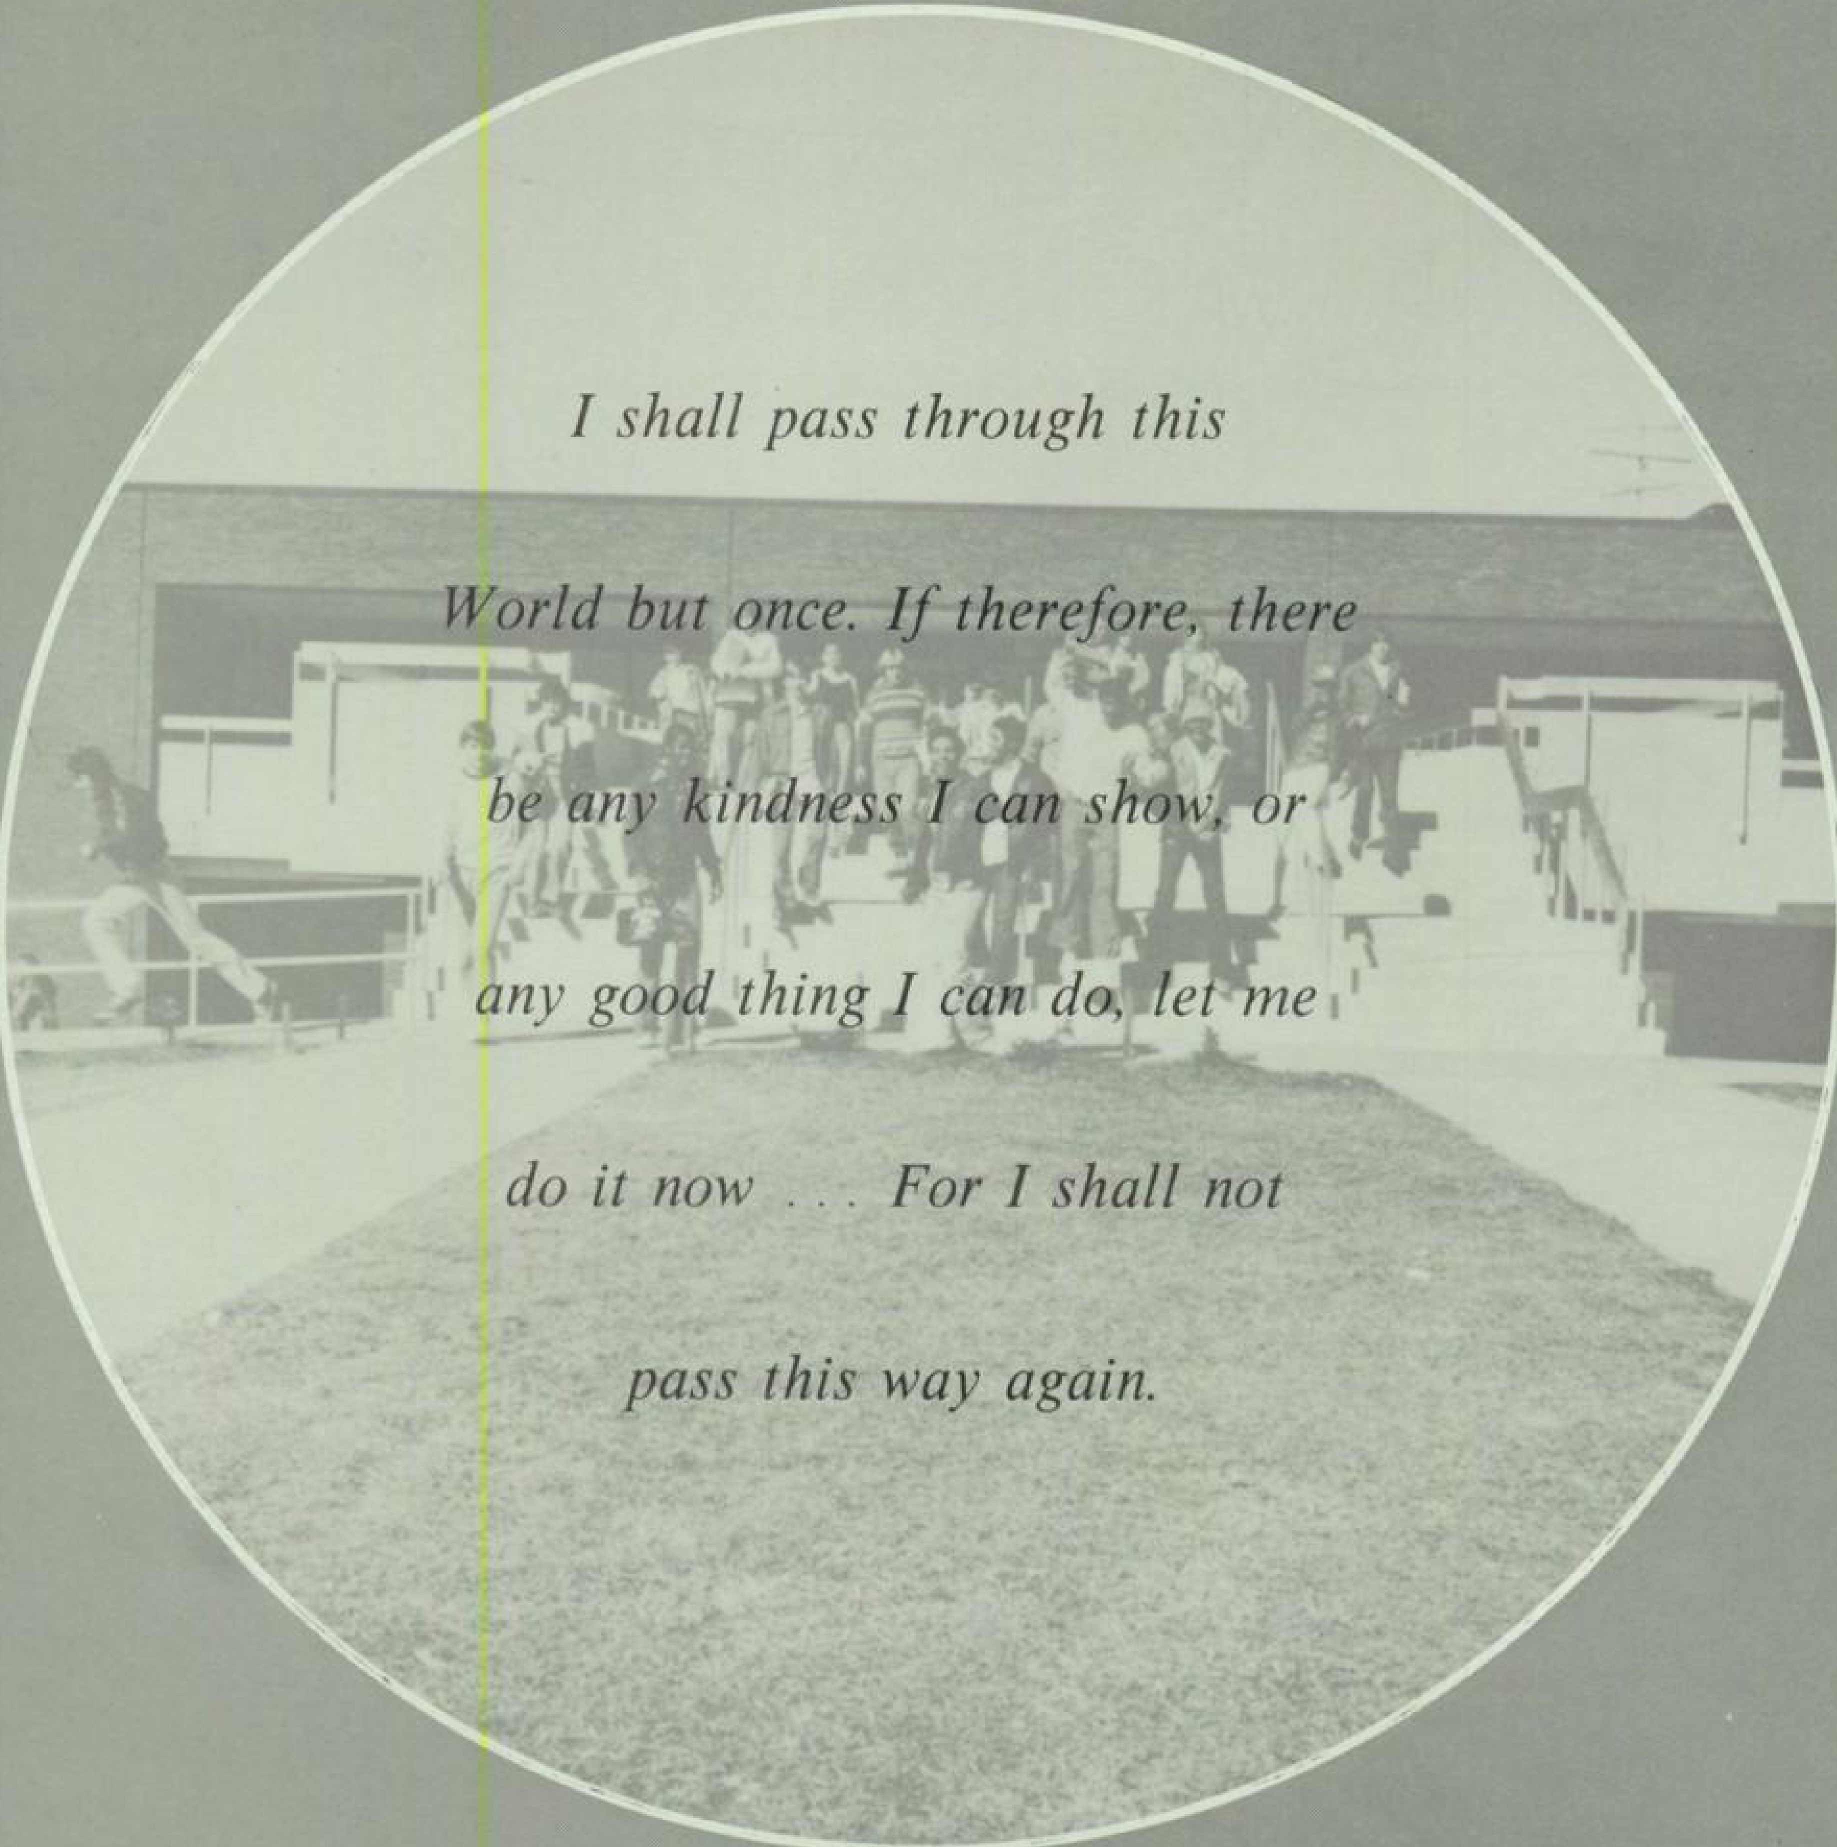

LIKE I'M THE JOURNEY AND YOU'RE THE JOURNEY'S END

I shall pass through this

World but once. If therefore, there

be any kindness I can show, or

any good thing I can do, let me

do it now . . . For I shall not

pass this way again.

Lavana,
I can't think
of a thing to say
isn't that unusual)
Well, I can't really say
goodbye cause I'll get to
see you all summer at Church.
But I guess I could say goodbye
to Amer. Lit. with you. I'd rather just
say goodbye to school all together - at least
at home I can put on lotion without being
fussed at. I can't wait till schools out & I wished
our young people would go to the beach, don't that
sound great. With Joe & Amy & Buck & Dana as
chaparones. That would be like no chaparones. (Hint-Hint)
Well I have to go because you wanta leave and

A special congratulations to Teresa

Lawana,

Its been nice knowing you this year but thank God I'll be out after June 3rd I won't regret leavin this city. I think that at lunch I spent more time feedin my face than socializing but thats life in the big city. — But no matter how bad a school seems to be - its friends that make your day look-up. Good luck next year bein a Senior. I think you'll be as anxious to leave as I am now when your day comes to graduate. Have a good summer. Maybe I'll see you on odd week ends when I'm home from college. Take care —

Love,
Kelly M. Gregory

Lawana,

How about 'cha? What's New? Wow this year has been great! I loved H. Phys! Remember the time I let one fly in that class. And Sally about died. That was "wild" - Speaking of "wild" we are going to have to get that way before I leave for St. Mary's. I'm really going to miss your laugh. But always keep in touch! Remember in H. Phys. when we pushed each other around the room in the chair. That was funny. I'm really going to miss you. You're a very special, funny, crazy, person. I love ya as a friend (No Lawana, I'm not funny!) Hope to see ya at the beach!

Miss ya,
Behave,
Have lots of fun always,

Real One, Do you really walk the streets at night, are you his kind yeh! Well Jane you can never guess why I wrote in this red magic-marker can you! Well I don't know where to start. I guess i'll start at the beginning (good thought) Well this time i'm going to finish it (hopefully) Well Lawana remember our 4th grade round with Joey P. and that diamond ring! Oh gosh he's so ugly! He's your kind! and in the 6th grade we really let loose didn't we! remember the D's with the circles around them? I used to be in love with Bobby McClain & used to watch him do those exercises! Then Tim Houser! and John Rateford! Remember him & Beth Purcell's party! Us riding his bicycle! Oh Lord have mercy! Then in the 8th grade we didn't see to much of each other did we? The 9th grade we talked but weren't so close! But last year when we cut loose! Gail Rankin was the craziest girl i ever did meet! She dressed so lady-like didn't she! We had so much fun with her didn't we? We had to put $3.00 in her gas for her just to take us around 1 main time through town & then when we'd see somebody good-looking we'd hide our faces! Remember when she like Frankie Boy! (Perfect match) But ya

So much fun in this school for

you know who's house all night long!!
Was you in love? How about Horse's
party or the night before at the lake! G.T.S.
& he kept wanting to talk to you all night
long & you wouldn't! stupid, you regret
it now don't ya! Remember Debra's
wreck! She can't drive can she? Remember
Horse's ice machine wild! Pickle juice!
Remember when we called Bee up & talked
to him at your house? Didn't we call
Buff a tod too! Us being the wolfs! Walt (a
mrs. mac.) That time we had to get out there
at that pep rally! everyone said we looked
like funny girls holding on to each other
out there! Remember the H. coming dance
when we had to walk to Elaine's house?
You were scared to death weren't you?
Remember always going by Buff's &
blowing the horn Oh my goodness!
On N. years night at J. Gilbert's party I
cut loose! Remember me & Trina getting
into it? me beating up Trina's car &
then at mac donalds. Oh yeh all those
dances when Rick would ask me to dance
& you'd laugh? BOZO at those ballgames!

It's a wonder Johnny Laxey ever talked to me again! I didn't pay 1 bit of attention to him that whole durn night I had to keep an eye on Fumble-inn if ya know who I mean! That girl was about as coordinated that night as a 2 legged blind cow! She went around kissing everybody's sweetie & slid & spilt all over the place! She even wanted me to wash her pants in the w-machine! But she really did comfort me that night when I thought M. Laxey wasn't going to appear! If you ever see her again, please thank her for me & tell her I think of her as one of my dearest sisters since the 4th grade. But I think she's changed her way of life now but if you happen to ever see her tell ~~him~~ her not to forget that night either!!! I died... when I saw Randy & Riley ~~together~~. Or green-teeth Clyd 221 o.k.?

Lawana,
We've really had a lot of good times this year, especially in human phys. I'll never forget when you told "Dick" you had to pee when you thought he wasn't listening! That was so funny. I'm really going to miss all the laughs we had. Good luck next year as a senior. Be good & take care!

Wanne Bean,

It's been cool being in your algebra class and always saying; (How about a shot)

~~AFA~~
Ricky

we use to write fuss letters all the time. We would fuss over the dumbest things. And remember last year when Ricky Yates would come in our Alg. class and he would always embarass you. And the time I made that noise and Mr. Modlin gave you 10 days. All the crazy times with Wayne Little, George Scott, Scott Robinson, Bob Duenkel, David Waters, I think together we've laughed enough for all people on this earth. We were so happy then. Nothing could bring us down, sure we would cry over boys but it was never anything serious. And never will I forget dragging that cup around the courthouse! We use to get the biggest kick out of that. Remember "what are you lookin at Bugeyes? ABCDEFG Kiss my Butt + climb a tree. James Gone Kill Deer. Oh you Big Mouth Woman, you long-legged guitar playing man! That aint right. You know its funny how we both was in love with Wayne Little and neither one of us would admit it. We put that note on his car and he called you, I was so jealous I could have died. And George chasing you at Hardees for the Papa's hat. Remember Sandra's party when Scott + Randy took us home and you cussed him out. And all the times Scott called you and I would have fits cause you wouldn't call him back. Me crying over Scott, you crying over Buck, Jerry Clippard, and Tod Sawing. We've been in love so many times its pitiful, at one time I thought Jerry Lingerfelt was the one, I thought Bob Duenkel was the one! Now I guess everythings changed! I guess were growing up. You know something I wish I didn't have to, I wish me + you could have stayed 15 forever. Cause see people just ain't gonna understand 30 year old, old maids riding around the court square dragging a cup they might lock us up! Sawana you know I could go on + on + on

I can't believe this year is almost over! I'm so glad! We have really become close friends this year, and next year we will have to become closer. I just don't know what 2nd period would have been like without you and your big mouth! You have got to be one of the craziest persons that has ever walked. I have enjoyed listening and laughing at you and your crazy stories. We are gonna have to get together over the summer and do some over crazy things together. I just don't know what all would happen when we would get together. We could really have a wild-n-crazy time.

Lawana, I really treasure your friendship and the many crazy times we have shared. Lets just hope our friendship never changes for worst, but for the better! Best of everything to a fantastic friend and a beautiful person!

It's been really great being in your algebra class. Too bad we didn't get to have more classes together, the only bad thing about it is we could have really had some fun in here if it wouldn't be for old man modlin! Well, anyway you don't have but one more year to go. So Good Luck in the future.

Lawara,
Everything sure has changed a lot since we were in the eighth grade, haven't they. Even though we don't have any classes together this year & I never see you around, I still consider you a very good friend of mine. When I first started to Central & everybody else was trying to give me a hard time - you were always a friend of mine. Thank-you so much for that. Your friendship was important to me then & still is now. Have a great summer. Call me sometime. (735-8542) You're a beautiful person & deserve the best of everything. Until I see you again...

RESERVED FOR (TRINA)

Lawana,

I really don't know what to say to you! We've had so many good times you couldn't count them on your toes, fingers or anything else. I'll never forget the beach, the bomb, Gail Rankin, My party for you, the jailhouse, New Years Nite, and so many many more times.

Lawana I know it seems like now we aren't even friends, compared to what we use to be we really ain't. It seems like I'm lost, in a sense I guess I am. It seems funny how one person can change another persons life for the bad. You know I was just thinking in the process of getting Tracy I lost a lot, the most important thing I lost was you, and now I realize I don't even have Tracy, or never will have Tracy. Maybe its too late for us to be like we use to be but I love you, I love you probably more than any person on this earth. And for everything I've ever done to hurt you I'm sorry. Maybe I'm just stupid, I guess I am. You have been a friend like no other friend could ever be, I know a lot of people says that about there best friend (I hope) but I trully mean it! There is so many people at school and everywhere that loves you because of the person you are. You are both beatiful inwardly and on your outward appearance. All I can say is I love ya! And I hope what we had once can be revived.

Well if you go to the beach with me this year then I know we'll have a good time, maybe its not too late to get the ole team back together. I hope not. Me + you + Murp has really had some good times, Murp remember how catching on fire. All the fusses,
